Dear Club,

Although I've just diddled myself with a dildo by the pool, I'm still feeling so fucking horny I've got to tell you about the threesome I had last night. I'd been planning to get fucked senseless by my boyfriend Dirk, but what I hadn't expected was that he'd show up with his mate John with every intention of spit-roasting me.

So when I opened up the door expecting to see Dirk, I was shocked to find a complete stranger standing there. "Can I help you?" I asked. He smiled wordlessly. "Is this some kind of joke?" I said.

"No joke, sweetheart," said Dirk, springing out of nowhere. "This is John. We used to live together at University. It's okay if he joins us, isn't it?"

"If you're suggesting what I hope you are, then that certainly is okay," I replied.

"Absolutely," said Dirk, "John knows about our love of threesomes. In fact, we doubled up with a girl several times back in the day."

Out in the back garden, poolside (and let me tell you, the weather might only let us use it a couple of months a year, but it's well worth it),

after a couple of drinks to loosen us up, the three of us got naked and down to business. When John took off his shorts I was delighted to see that he had a sizeable dick, somewhere around nine inches long, and thick with it. I grabbed it, saying, "I want a taste of that beast," before stuffing it down my throat.

John grabbed my head, holding it in place as he started slowly pumping my mouth with his meat. Normally I would have objected to him taking control, as that's something I revel in myself. But it felt so amazing having my mouth filled to bursting with his throbbing cock that I was prepared to let him do whatever he wanted with me.

As John thrust in and out, Dirk came up behind me and started rimming my pucker. Once it was sticky with saliva, he jammed what felt like three fingers inside my arse. I responded by sticking a trio of my own digits in my dripping wet fanny. Yet even though I had every orifice filled with thrusting fingers and cock, it wasn't enough. I tapped John on his legs and motioned with my eyes that I wanted him to pull his cock from my mouth. When he did so, I turned around to Dirk and said, "As great as that feels, I want you to fuck my cunt – like now!" Then I went back to sucking John's bone.

Dirk teasingly prodded my bumhole with his

cockhead. I tensed up thinking that he was going to ignore my wish and fuck me where the sun doesn't shine. He didn't. Seconds later, he slipped balls-deep into my snatch, then reached around to grab my stiff nipples and began tugging on them. Then he slowly started retracting his cock from my pussy. Just when I thought he was about to pop out of my slit, he stopped, slammed back inside me to the hilt, and then started banging away like it was the final fuck of his life. Releasing my nipples, he held me by the hips so he could drill me harder. If I hadn't have had my mouth stuffed full of cock, the ferocious way Dirk was banging me would've had me screaming for mercy, I swear. Not that I wanted any mercy. Nothing pleases me more than a hardcore fucking, especially when I'm getting it at both ends simultaneously.

I knew it wouldn't be long before

MR SHEEN

Dear Club,

Like a lot of people, I've been following the Charlie Sheen story with a mixture of fascination, horror and sometimes admiration. Yes, he's clearly lost it, and all the money has gone to his head, but he claims he's 'winning' and with all of the great fanny he's been getting, he may just be right! I saw him in the paper with Bree Olson the other day and I've seen enough of her films to know she's a hell of a shag. I hadn't seen Capri before she was in *Club* though, just seen her mentioned in stories about Sheen, but now I'm in love. She's lovely – fresh-faced, perky but clearly filthy as well. Yes, I'm convinced that Charlie Sheen is definitely winning.

Joseph, Swansea

As much as we'd like to disagree, we can't. We've seen Capri, Bree and plenty of other girls that Sheen has been linked with, and we're nothing but insanely jealous. Of course, as proud Brits we'd much rather be linked with Angel Long, Lolly Badcock and Sophie Dee, but Sheen's conquests would do, we suppose...

LAIRD DO WELL

Dear Club,
That Jenny Laird from the latest *Club* has certainly got everything in the right place. I've never been mad keen on girls with tattoos before, but Jenny's is actually quite pretty and sets off her amazing body perfectly – she's got such a tight body, those lovely tits, inviting pussy and even her arse is incredible. Get her back in the mag soon – and get her doing dirty things with Sasha and I'll be forever in your debt!

Nick, Telford

With you all the way on this, Nick. Jenny is one of the finest British girls we've come across – er, literally – in ages. As someone once said in that film about something starring someone famous, it's a bod built for sin. We're trying to lure her back, but next month we've got another amazing new Brit lined up for you...

I came. I was right. No sooner had the thought occurred to me than I felt every molecule of my being ignite with a sexual fire that ripped through me from head to toe. Trembling uncontrollably, I climaxed. As my ejaculate jetted from my stuffed pussy, my two studs upped the speed of their thrusts, and moments later spilled their loads. Dirk splattered my quivering arse while John coated my tonsils.

Being a glutton for sex, once we'd all recharged our batteries with a few more drinks, I got spit-roasted a second time. Hey, I wanted to taste my man's spunk as well as his best mate's.

Having relayed that story to you, guess what I'm going to do now? You got it – I'm going back out by the pool and dildo myself to ecstasy once again!

Alison, Sussex ♣

RUBBER UP! ♣

Kate Hunter is spacin' out...

The Editor was reminiscing recently – and rather unpleasantly – about the first time he got his fingers wet and how the girl had a not dissimilar name to Kate here. It took a phone call for us to establish that Swindon sweetie Kate had never been to the Nottinghamshire market town where our esteemed leader enjoyed his first furtive fumbings, so that puts his theory to bed.

Although, to be honest, we didn't even need the phone call. Kate here is 23. Our editor is pushing 40. Also, she's way, way out of his league. However, this compelling evidence doesn't seem to be stopping him typing the names of all his ex-girlfriends into Facebook and cross-referencing with modelling databases in a vain quest to relive his youth. Ed, if you want to find out where all your ex birds are, why not log yourself onto Mumsnet? ♣

Sasha's Secrets

Every month, Club's sensational regular girl Sasha will act out your fantasies. She's not shy – write to her and tell her exactly what you want her to do. Who knows, you might be lucky enough to get Britain's fittest lass juicing up over your letter and then making it come to life. Oh, and she gets even dirtier online, where we've got the pics we can't show you in the mag!

Sasha

I must confess, I wasn't the perfect student at school. I was too busy chasing the boys and doing things I shouldn't have been doing!

But wearing these clothes and wielding a cane, I almost missed being in education, and I'm sure I could teach most of you boys a thing or two. Maybe they wouldn't be on the curriculum, but if you'd stay late I think we could find something to study.

I know there's something a little corny about this outfit, but something very sexy too. I love dressing up for sex, especially if there's some role play too. I'm going to be a nurse for you in a few months, but right now I want you to imagine you're in my class, and you've been very naughty... ♣

Dear Sasha

Well, where to start, you look great in your Halloween outfit. If I went down on you, you would not want me to come back up. I would love you to grind your nice, wet pussy all over my face. As for me, I've been a bad boy and am detained in a secure unit. I need punishing – what would you do to a bad boy?

Also, would you be able to send me a pair of your panties?

Richard, Preston

Hi, Richard. Thanks for your lovely letter, but if I was to give a pair of panties to everyone who asked for them, I'd have none left to wear... hmm, there's an idea! Maybe I should set up an online store to sell them? Either way, I hope you haven't been too bad a boy, and hope the next couple of issues get through to you, you'll like them – especially my all-girl foursome next month that gets well out of hand!

Dear Sasha

Last month was an expensive one for me. I made such a mess of the anniversary issue of *Club* – particularly your pages – that I had to go and buy another one for my collection. I don't know whether I wanted to be Kristal or the cake, but I definitely wanted to be involved somehow. Just to say, you're my favourite *Club* regular girl of all time and I hope you stay in my favourite magazine for ever!

Mark, Portsmouth.

I'm sure the editor won't be too upset about you having to buy two copies of Club, but I'm very flattered you gave my photos such close, personal attention. One of the great things about this job is knowing that men are looking at you with their hard pricks in their hands and that gets me wanking like crazy as well!

Then send a picture, along with your name, address and a contact telephone number to: Readers' Girls, Club International, 3rd Floor, 207 Old Street, London, EC1V 9NR (or email clubint@paulraymond.com). NAME: Vikki **AGE:** 20

FAVE SEX: Lezzing off.

WHAT'S SHE LIKE? A stylish lesbian who we're trying to turn!

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

I've been buying it for a couple of years ever since I discovered my sexuality. You have the best girls for me to wank over!

AH, SO YOU'RE A LESBIAN?

I am, 100%. Well, I say 100%, but a girlfriend and I did recently share a cock, and it was nice. But I've mostly had girlfriends for the last year or two.

WHAT'S THE APPEAL?

Well, you tell me! You're men, you like pussies, don't you? I just love a nice shaven pussy, and I like to lower my shaven pussy onto a girl's face as well.

YES, YOU ARE VERY SHAVEN!

Yup, I go over it every single day. It's almost permanently tingling, which is nice. I can feel so much more when it's like this. But don't get me wrong, I'm not a hair fascist – I'll stick my tongue into a hairy pussy as well!

GOOD TO HEAR IT. SO, ANY INTEREST IN BALLS AT ALL?

I do like men, but only if they're happy to share me with another girl – although I don't think that'd be a big ask for you lot! ♣

JOSIE AND MY PUSSY!

On our way to a festival in Germany we got caught in a vicious lightning storm and decided that we had better stop rather than press on into the increasing gloom. A quick stop at a tourist office told us that most of the local accommodation had already been taken but there were spaces available at an old B&B a mile out of whatever town we happened to be in. We were warned that the woman who ran the place was a tad traditional but we weren't really in a position to refuse a warm, dry bed for the night.

The guide called ahead and when we arrived, a great Fraulein greeted us at the gate, seemingly oblivious to the torrential downpour. She eyed all four of us suspiciously and stated, "There are two rooms, one double and one twin. Girls sleep with girls and boys sleep with boys.

That way there's no funny business." We were all desperately trying not to laugh as the lads opted for the twin room, leaving Josie and myself with the double.

The room was more than comfortable and we were treated to a very welcome meal of tasty soup and great doorstops of bread and butter as well as a couple of bottles of wine. However, as our hosts began to pack-up and switch the lights out, it became apparent that it was bedtime. We bid good night to the lads and headed to our room.

Rather than getting another soaking to get our luggage, we decided to make do with what we had. A quick hot shower made all seem right with the world and I slipped naked between crisp tight sheets and flicked the television on whilst Josie showered. She pottered around the room in a large fluffy towel for a while before coming to bed. I heard the wet towel drop heavily to the floor but kept my eyes averted as she slid in beside me. However, as we chatted I couldn't help but notice that she

hadn't pulled the sheet up over her bare breasts as I had and I found myself wondering what they felt like in comparison to my own.

Flicking up through the channels, there was one that seemed to be showing a porno of some kind. I automatically hurried past it but Josie told me to go back. To be honest, in this day and age it was pretty tame stuff,

however there was a lot of good-looking naked flesh, both male and female and I could feel sexual tension building. If my boyfriend had been here, my fingers would be wrapping around his cock about now. My erect nipples were standing out even through the thick sheets and I could feel my juices beginning to flow as my body prepared for sex. I was longing to touch myself but there was no way I could get away with any movement 'down below' whilst sharing the bed. I was aware of Josie's warmth; in fact she seemed to be much closer to me than she'd been. I couldn't believe it but I was secretly hoping that she was

“Her fingertips traced down the side of my pussy, before settling on my clitoris”

going to touch me, which made the pressure in my groin worse.

I adjusted myself slightly and suddenly we were touching. Flesh against flesh, I wasn't exactly sure which bits were touching but the sensation was electrifying. I didn't think it would go any further and I jumped when her hand found my knee. It stopped momentarily, awaiting a rebuke but as none came, her hand traced a more confident path up my thigh. My legs came apart, willing Josie to touch my most intimate area. Teasingly, her fingertips traced down the side of my pussy, before finding my lips and following them aching slowly upwards and settling on my burning clitoris.

We didn't speak and I barely dared to breathe as Josie started rubbing. The sensations were intense, her soft breasts pressing against my upper arm, the heat of her legs wrapped around mine and finally the wet touch of her pussy on my upper thigh.

The enormous sexual tension that had been building was about to detonate at this unexpected turn of events. This was going to be the first orgasm that a girl had given me. That thought set me over the edge and I tried feverishly to keep quiet for fear that our hosts might hear and throw us out into the rain. As my body pulsed in exquisite ecstasy Josie burst out laughing at my muted squeaks and squeals and I couldn't help but join in with her. My pussy was still pulsing a few seconds later when there was the unmistakable sound of disapproving banging on the wall. This set off peals of laughter which were muffled by pillows.

When the laughter died down, Josie flipped onto her back and I saw her legs come apart under the sheets. It was obviously an invitation for me to return the favour. My left hand traced across female flesh for the first time. I took the opportunity to squeeze her breasts, enjoying the soft firmness before

exploring the smooth flat expanse of her belly and finally delving down between her legs. I found Josie's groove and she instantly arched up in fiery pleasure. I'm not sure whether it was an orgasm or not but I waited for her to calm down and tried touching her again, with the same result. "I'm a bit sensitive down there," she said unnecessarily.

I had a really dirty idea and as I moved down, the way Josie looked at me told me that she wanted me to do it. I kissed across her shoulder, down over her breast, pausing to lightly chew her nipple, and then I continued down through the roughness of her shaved pubis before landing softly between her legs.

The musk and heat of her pussy was deliciously inviting and I dropped my lips gently down onto her sex. There was still a jolt from her body but it wasn't nearly as intense and I was able to gently suck on her labia, drawing them into my mouth. Her mound pushed out to meet me and I explored more deeply between her folds, opening my

mouth and pushing a soft tongue into her flesh. There was a frighteningly loud moan from up the bed after which things became much more muted as Josie made use of the

"I felt his balls bunch up, then creamy streams of jizz ran down my throat"

spare pillow.

I was really enjoying my first taste of pussy and made a prolonged exploration, even daring to drop down and rake my tongue across Josie's anus. I loved the taboo element of this act and lingered, trying to force my tongue into that tight hole. However, it was time to give Josie what she needed and I replaced my tongue with a finger, which I pushed gently into her bum and moved upward with my tongue, seeking out Josie's clitoris.

A muffled groan of pleasure told me that the prominent hard nub was what I needed to

concentrate my efforts on and I began a gentle circling rhythm that was my favourite way of getting off. I could feel the pressure building quickly and even her consciously stifled reaction told me that a massive orgasm was close. I imagined the fire in her clit flooding uncontrollably through her body as her legs clamped around my head and I felt the muscles spasm around my finger in her arse. When she released me, I crawled back up the bed and the night went eerily quiet.

"That was fucking amazing," Josie whispered hoarsely.

"So much for no funny business,"

I laughed quietly as I curled my body in next to Josie's, feeling more than a little pleased with my first lesbian experience.

JERKING OVERTIME!

The rule at our firm's small office building is last one out locks up, so after working late one night, I checked the other floors. That's when I walked in on my colleague Max, cock in hand, totally oblivious. He didn't notice me watching for a few moments.

It was only when I tried to sneak back out that he spotted me. He didn't seem embarrassed, more like he was getting a horny thrill from being caught red-handed. I suddenly thought this might be fun, licked my fingers and stuck them in my panties – I was already juicing up.

Now I pulled them back out, stuck them under his nose. He grabbed my hand and licked it clean, then guided it down to his prick. As I wanked him, feeling how rigid and throbbing he was, I talked dirty in his ear, telling him I wanted to get my mouth around it.

Next thing I was on my knees, jerking him up against my naked tits as he squeezed them. Then I put his wet tip on my tongue, and started to suck him in a little at a time. He had a big dick and I knew I'd never deepthroat it all, but he liked it when I sucked on his helmet and stroked his shaft. I had a hand between my legs, frigging away, but once I'd cum, I used my juice-sticky fingers on his balls.

As I rolled them I felt them bunch up, then creamy streams of jizz ran down my throat. He just slumped back in his chair, but when I went to leave, he told me to stick around. "Your turn now," he said.

He bent me over the desk, knickers down, and knelt in behind me, eating my cunt. His fingers were working my clit, his mouth on my hole and the harder I ground on his face the

deeper he ate me. This got him stiff again very quickly and he stood up, leaned over my body and asked did I want some cock. The second I told him yes, he was inside of me. He screwed me hard and urgent, hands squeezing my tits, his cock stretching my fanny wider on every stroke. I felt like such a bad girl, taking cock in the office, and as I began frigging my clit, I came again, harder than the last time.

He felt it, felt my tight twat pulsate around

his shaft, and with a groan he shot his load, pushing me against the desk to get in as deep as he could, jet after jet of the good stuff blasting deep inside me. As he pulled me back up against him for one final grope of my tits, I felt him slide out and our mingled cum gush out down my thighs.

Now Max lets me know anytime he's working late. I'm sitting at my desk, very wet, hoping he will tonight...

PORN STAR RETIREMENT HOME

Where we look back at the cock-slungers who hung up their chaps...

No. 10 – CARMEN LUVANA

A surprising retiree, seeing as she'd only been working in the biz a little over six years when she hung up her stripper-heels in 2008. Especially as her inflated chesticles were presumably designed principally for pornstardom. Carmen announced that she didn't want her fans to get bored of seeing her in action (as if!) and currently lives in her home state of Florida and presumably swans about

in her pants eating ice cream and watching daytime TV.

Luvana, born in 1981, entered the industry in 2001, after being spotted dancing in the strip clubs of Miami. Her first hardcore appearance was in *More Dirty Debutantes* #211 (not having seen episodes 1 thru 210 I can't be sure if it's easy to pick up the story at the point she entered) and she went on to work for the major studios, New Sensations and Adam & Eve among them, winning plenty of awards along the way.

A popular performer, it's doubtful that Carmen will stay away from the hot lights and cold lube of the porn film set for long. I'd put money on the lure being too great. We'll just wait out this hiatus and see her when she's back. Mark my words...

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: **Daryl Hannah**

Daryl Hannah was the queen of Hollywood throughout a lot of the 1980s, catching the attentions of men who like pretty ladies with her memorable turn as Pris in *Blade Runner* (1982) before mainstream success with the Tom Hanks movie *Splash* in 1984. Many gents of a certain age will remember how they felt as a schoolboy upon seeing her lovely bronzed boobs only just covered by her blonde hair in the racy PG-certificated hit

(and wondering at what point the fish tail began at too – was there a fanny down there?) and she was also charming in Steve Martin's *Roxanne*. Still busy acting and making short films, Daryl has got a bit of a hippie vibe going on these days, and still looks good at 50. Not great, but good. I'd do her, but I wouldn't do her with yours, if you get my drift. And if you want to see her baps, check out 2001's *Dancing at the Blue Iguana*. But for me, she'll always be Pris, the replicant who can crack a man's skull with her stocking-clad thighs. Bliss!

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

Too Hot For TV

A customer ran burning from a San Francisco sex shop last month, and remains in hospital with life-threatening injuries. Staff aren't sure how the gentlemen caught aflame, but he was watching videos in a private booth one minute, then screaming in pain as the flames licked around his cock and balls the next. Which begs the question: in this internet/DVD age, what kind of person goes to a sex shop to wank over mucky films? The kind of guy who sets on fire doing so, I guess. Anyway, have fun explaining those burns away to your missus.

The Bryce Isn't Right

Sad news, 30-year-old big-boobed MILF Hunter Bryce was found dead in her California home on April 11th of this year. The cause of death hasn't been released at the time of writing, but co-performers mentioned on Twitter that she hadn't "been doing well personally" in the weeks and months before her untimely death.

A university graduate, Bryce majored in literature, and devoured books by the hundreds, even taking on her performing name in honour of Hunter S Thompson (who offed himself with a shotgun a few years back). An animal-lover (which pornstar isn't?), she was much-loved by her family and will be missed by fans of hot brunettes with big boobs. Get your ass over to xvideos.com or somewhere similar and have a tweak of respect right now.

THE BIT ABOUT BABES WHO LOVE TO BLOG...

Alana Evans has been in the porn biz for well over a decade, has seen her boobs grow from tiny little chestbumps to silicone-enhanced gazongas, worked with all the big names (and pricks), and managed to be a doting mother at the same time (though whether or not her kiddies have seen videos of her being made airtight we don't know). Quite where Alana finds the time to tweet as much as she does is something of a mystery – she has one thumb on her Blackberry 24/7 by the looks of things (the other one, presumably, being put to better use with sex holes, hopefully). Her tweets are a combo of

geekery (she also writes a blog about video games), updates about what she's up to on set, pot-smoking, and calling everyone "ninjas" all the time. Yeah, she's a character alright, and once in a while she'll post a chaste pic of her cracking melons for her followers to ogle. What's not to like? Here are some samples of her recent tweetage:

"Birds are cool man- this bluebird family is living in my yard- watching the Dad is a trip as he watches me back- damn, this is some good herb"

"I sure could use some company in this big comfy bed- my down blanket is soooo soft :) so are my titties- awwwwww heaven"

"In case u didn't know- I'm not only @superpinkninja but I'm a super bitch :) a bleach blonde bitch with an IQ of 118 thank you very much :)"

Go ahead and follow her at www.twitter.com/alanaevansxxx and you'll have your Twitter stream filled with random outbursts. And she's very chatty too, so don't be shy – tell her you like her boobs and her fanny. Be a gent.

Top Five...

Sporty Babes

They're the fittest fillies on the planet, even when they're not good at it...

5: Ana Kournikova

Yeah, yeah, she's not been within sniffing distance of winning a major tennis title (hell, does she even play any more?) but come on, guys, it's fucking Kournikova! Okay? Sheesh! We've had more ham shanks over her than she's served aces. Actually, that might not be many.

4: Amanda Beard

She's an Olympic swimmer, but has put her lithe bod to good use in mags like *Playboy* and *Sports Illustrated* too. Wouldn't mind paddling in her shallow end! Also, despite her name, she doesn't actually have a beard. Result!

3: Anna Rawson

A leggy blonde golfer, Anna also models when she's not whacking balls around the fairway. She sure gives me wood (and I'd like to see her stroke). We'd do a 'hole in one' joke as well, but we're a bit tired.

2: Gabrielle Reece

This woman has played a LOT of volleyball, and hence has the kind of statuesque figure that, if you were to be presented with it in your bedroom, you would keel over and die before even getting your hands on. Annoying.

1: Maria Sharapova

Unlike Kournikova, who's arguably a little bit hotter, Sharapova can actually play tennis to a world class standard, and therefore wins, even if she's a communist or something. We don't know, look it up on Wikipedia. 'It'd be nice if she'd marry me,' is what we're all thinking.

PRICKIPEDIA

SEXY SEX FACTS ABOUT SEX

30% of women over the age of 80 still have sexual intercourse (which doesn't really bear thinking about)

The word "avocado" comes from the Spanish "aguacate," which is derived from the Aztec word "ahuacati," which means "testicle" (so just remember that next time you're slicing one to add to your bacon salad)

In ancient Greece, women would expose their vaginas to ward off storms at sea (it is not recorded as to whether or not this actually worked)

The initial spurt of ejaculate travels at 28 mph (so be a bit understanding next time she flinches as you fire it in her eye)

CHARLIE'S ANGEL! ♣

Capri stays winning...

When Capri first appeared in *Club*, back in issue 40/3, she was all over the news for her, ahem, 'involvement' with Charlie Sheen, then reaching critical mass in his meltdown. We're glad to say, however, that while others might have disappeared into hiding under the relentless media barrage, Capri has kept on doing what she does best. Namely, looking really fit and occasionally handling penises and vaginas in adult films. Mostly vaginas, it has to be said, but when faced with a penis in a film, she acquits herself handsomely. All of which might explain why certain TV stars might have been prepared to give her a lot of money to spend some time in her company. We've personally got £56.24 in a kitty so she'll go to the Wetherspoons over the road with us one day... ♣

SHAY & DISPLAY! ♣

We've got a hard bone to pick with Miss Laren...

We've got beef with Shay Laren. Yes, we're happy you're still modelling and showing us those parts of you that refresh those parts of us you shouldn't have to reach, but what happened to the porn career?

"Oh, my heart was never in that," says Shay, who made about 5 lesbo movies before calling it a day. "I didn't like all the cameras and make-up and crew."

Really? You seemed to be enjoying yourself from where we, er, crouched.

"I did enjoy it, just not as much as I normally enjoy sex. It's too stop-start. You just get going then someone swoops in to touch up your make-up."

Good point, but on the other hand, we want to see you have sex on films. Consider this a written warning... ♣

DOMINNO THEORY! ♣

We reckon she's filthy...

Okay, our 'Dominno theory' that she's filthy isn't a real stretch. After all, she's a porn star and, whenever we meet up with her, she talks absolute muck to us. Like this...

"I hope your readers like my big tits. I think it's obvious they're my greatest asset, and I love to star in films where I can wrap them around a hard cock. Of course, I love to do that in real life as well – men just melt when you sandwich their hardness in your soft flesh. I look them in their eyes when I'm doing it and maybe spit on the tip to get it gliding in and out smoothly. I want your readers to imagine covering my tits with their cream."

See what we mean? Filthy. ♣

SCRUFF JUSTICE!

We don't grumble at grumble...

RATINGS: ★ REBEL YELL ★★ COCKNEY REBEL ★★★ REBEL REBEL ★★★★★ TEEN REBEL ★★★★★ REBEL MC

Teen Rebel
(Harmony)

We were sucked right into this by the gorgeous Little Caprice on the cover. Well, there's some bad news – she doesn't get within a country mile of a penis in this otherwise fine 'sex documentary'. That said, her colleagues more than make up for that. Club fave Syren Sexton gets drilled inside and outside, Russki Ivana opens her iron curtains (and her other curtains, whatever they're called) for three dicks at once. Best of all is the petite Ferrara Gomez making a brave effort to take more than 1/3 of Danny D's huge dick up the bum. Oh, and Little Caprice in a decent threeway lez-fuck. Dick or no dick, she's a winner. ★★★★★

Tara's Titties
(Digital Playground)

Most porn plots are so basic and repetitive that, these days, we don't bother in the slightest with them. Not that we were ever hooked on the dialogue and plotting of porn films, then going down the pub to discuss them with our mates like after seeing *Memento* or *Inception* for the first time. But now we couldn't care less. And who needs to when a film like this provides a) a plot and b) Riley Steele, Brooke Banner, Madison Ivy, Francesca Le and Madelyn Marie getting fucked and jizzed in? Just opt for b all the time and you'll be a happy porn punter. ★★★★★

Asian Mouth Club
(Madness Pictures)

The bread and butter of porn, of course, isn't the aforementioned plot-heavy movies, although they're the ones that get all the awards. No, it's your meat-and-2-veg vignette films, and while they haven't evolved much over the years, they haven't really needed to. After all, a blowjob film doesn't need bells and whistles – it needs a good-looking chick sucking dick effectively and attractively. Here we've got a bunch of pretty Asian girls doing just that. It's on the short side – only 5 girls – but each get their chance to shine, polish dick and get their creamy reward. Pick of the bunch? Jessica Bangkok. We'd tap her fortune cookie any time. ★★★★★

CUE CUTIE! ♣

Ferrara chalks up another conquest...

When we challenged Ferrara to a game of pool, she told us she'd wipe the floor with us, and we told her to put her money where her mouth is. You can guess the rest.

Luckily for us, Ferrara has plenty of her own money, so she just asked us to pay our debt by saying lovely things about her in *Club*. To be honest, it's not very hard, except it's difficult to know where to start. That radiant smile? Those tumbling curls? That shaved snizz? No, let's start with those incredible blowjob lips. And from what she's told us, they live up to their name. Yup, we haven't got a bad word to say about Ferrara, except that maybe she cheats at pool! ♣

Ferrara revs up and gets rude only at...

Stella samples some slit...

Club favourite Stella likes to make a reappearance in the pages that made her name from time to time – but she prefers it if she can bring a friend with her.

So say hello to Kathy as well, although if she doesn't reply, she doesn't mean to be ignorant. It's just that her mouth will be occupied with sucking on Stella's sweet tits and then feasting on her juicy fuckhole. We understand.

Stella hasn't much to say either, other than a muffled 'Hi' as she works Kathy's clit with her tongue then stuffs her tongue deep into her pussy. Still, it's the thought that counts... ♣
